Third Party Events

This activity is not an activity of The Roman Catholic Trust Corporation for the Diocese of Cairns ("the Diocese"). Rather, it is conducted by an independent organisation or individuals who operate separately from the Diocese and outside its governance and control.

The Diocese is committed to the dignity, safety and wellbeing of all people and seeks to promote and publicise only activities that align, in principle, with the values of the Gospel and the safeguarding commitments of the Catholic Church, including the National Catholic Safeguarding Standards and applicable Child Safe Standards.

However, as this activity is conducted independently, the Diocese is not able to oversee, direct, or ensure the implementation of safeguarding practices by the organisers, nor does it warrant that such standards are fit for purpose or applied in practice.

Participants, and those responsible for children and vulnerable persons, are encouraged to make their own enquiries regarding the safeguarding measures, policies and safety practices, financial accountability and governance in place for this activity, and for any similar activities, so that informed decisions may be made in the best interests of all involved.
